Support the John Wheatley Classic Help fight and find a cure for all cancers.

In November 2002 John lost his life to leukemia. This disease quickly and unexpectedly robbed John of his life. Today it is hard to find someone who has not been directly affected by this disease whether a family member or friend.

In 2007, Chris Lyons, Sue-Ellen's husband and his good friend Matt Wright formed Team Suzy-Q in Sue Ellen's memory. For the past 2 years, they have successfully completed the Pan Mass Challenge (PMC), a fundraising bike-a-thon where every dollar raised goes directly to the Jimmy Fund / Dana Farber Cancer Institute.

This year, the John Wheatley Classic will once again help sponsor Team Suzy-Q's (10 riders) as they complete the 192 mile ride from Sturbridge to Provincetown on Aug 1st and 2nd in the 30th Annual PMC. Additionally, the team will ride in honor of a current pediatric Dana Farber cancer patient through the PMC Pedal Partner Program.

This match up offers motivation for the riders and an exciting distraction for the patients from their treatments. During the race Pedal Partners have the opportunity to meet and support their team during the Pedal Partner Picnic water-stop along the bike route.

Last year PMC donated 100 percent of the money raised directly to the cause. So this year please come and support the John Wheatley Classic.
